

Anneke Levelt-Senger Prize: Women for Science in the Americas IANAS

CALL FOR IANAS ACADEMIES

The IANAS Women for Science Focal Point Group has announced a call for a prize for young women scientists for 2023.

The Prize is named after Anneke Levelt-Senger in recognition of her outstanding work devoted to promoting women for science in the Americas.

IANAS is an affiliated Regional Network of the InterAmerican Partnership (IAP), therefore the prize will be coordinated and supported by both these organizations.

Prize

The winning nominee will be allocated a U\$S 3000 prize to spend on suitable activities related to her research work.

The biography of the winner will be posted in the IANAS-WfS webpage, and a certificate award will be issued.

Eligibility criteria

1. Female PhD
2. Under 40 years-old (before 31/07/2023)
3. Performing scientific work in her country in the fields of Life Sciences, Social Sciences, Technological Sciences

Participants

Honoring the principles of our organizations, the Prize will be for the scientists or engineers women of the following countries:

Bolivia

CAS (Caribbean)

Colombia

Costa Rica

Cuba

Dominican Republic

Guatemala

Honduras

Nicaragua

Panamá

Perú

Uruguay

Venezuela

Dates

Application Period Opens: **Wednesday May 10th, 2023 (10/05/2023)**

Application Deadline: **Saturday June 10th, 2023 (10/06/2023)**

Application process

The candidate should apply through her Academy of Science, in English, with:

- CV, limited to 5 pages, including name of graduate degree institution, research and work experience, publications, presentations, etc
- Short summary, 250 words, of her research accomplishments.

Academies should inform the IANAS office (secretariat.ianas@anc-argentina.org.ar) of their proposed candidate in a letter signed by the President of the Academy and include all other application documents **Saturday June 10th, 2023 (10/06/2023)**.

Proposal for candidates

IANAS WfS invites the Science Academies of the countries listed above to nominate **ONE** candidate from their respective Academy countries.

Selection process

A Selection Committee will be designated by IANAS-WfS, with highly recognized scientists from Argentina, Chile and Canada, all non-participating countries in this call. This Selection Committee will select the winner from the candidates proposed by each participating Science Academy. The decision should be made before July 25th, 2023.
